

# Website Maintenance

Bamboo Nine WordPress Website Maintenance package.

## Our Package

WordPress website maintenance for **£200** + VAT  
Per month excluding Kinsta hosting fees.

## Hosting Plans

To take advantage of our website maintenance package we require that you migrate your website to our preferred website hosting provider Kinsta. We'll take care of the migration for you as part of our package.

## KINSTA

Find out about Kinsta hosting plans [here](#):

## What comes with **Kinsta** as standard:

- ✔ Automated daily backups.
- ✔ Free SSL certificates.
- ✔ Lightning fast server speeds.
- ✔ Staging site.

## What **we** offer:

- ✔ Migration of your website from your current hosting to Kinsta.
  - ✔ Regular plugin, theme, and core WordPress updates.
  - ✔ Restoration of the site to an earlier backup if it's ever required.
  - ✔ Regular checks for potential security issues with WordPress and installed plugins.
  - ✔ Investigating and solving any malware issues which might arise.
  - ✔ Improving the security of your site to reduce the risk of attacks.
  - ✔ Communicating with Kinsta if any server issues ever arise.
  - ✔ Updating PHP to the latest release. (Additional development work may be required to ensure your site is compatible)
- ⓘ **Anything outside the scope of our maintenance package will be an additional cost at our hourly rate.**
